

Space Development

These days, scientists are interested in knowing more about creatures that live in the space. However, reaching areas that are so far from the earth is very dangerous. Now, some scientists send robots to such areas, and by doing so they can learn about unusual life in space safely. These robots will probably become more and more useful in the future.

Your story should begin with this sentence: One day, Mr. and Mrs. Iwamoto were talking about their weekends.
