Community Gardens

Today, many towns are creating community gardens to help people grow fresh vegetables. These gardens let residents share tools and learn gardening skills easily. Some people visit the gardens on weekends, and by doing so they meet new neighbors. Such projects help towns become greener and bring people together in their daily lives.

Community Gardens

Today, many towns are creating community gardens to help people grow fresh vegetables. These gardens let residents share tools and learn gardening skills easily. Some people visit the gardens on weekends, and by doing so they meet new neighbors. Such projects help towns become greener and bring people together in their daily lives.

No1. According to the passage, how do some people meet new neighbors?

A. By visiting the gardens on weekends.

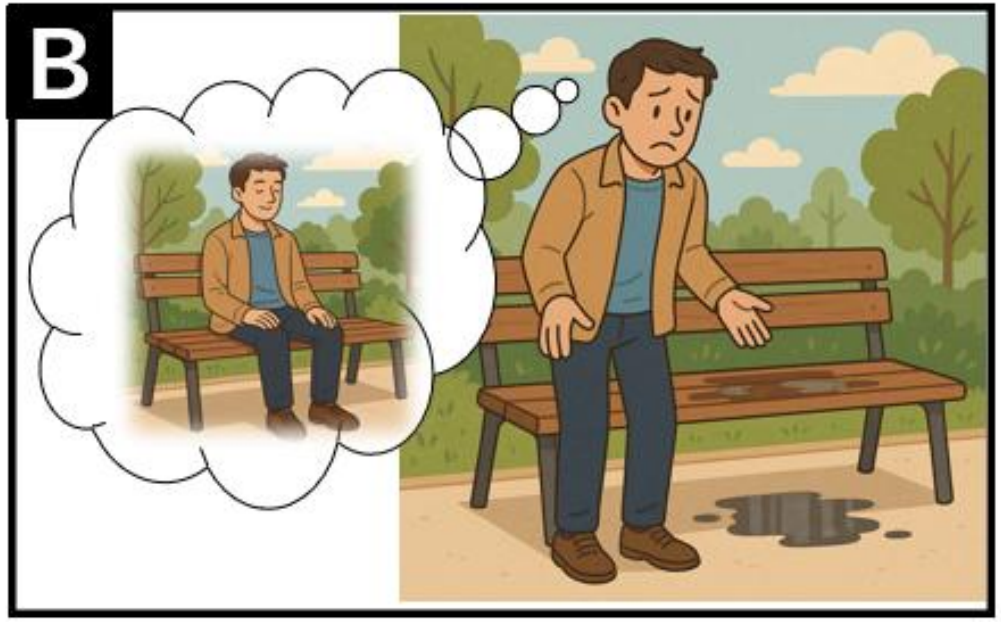

No2. Now, please look at the people in Picture A. They are doing different things.

Tell me as much as you can about what they are doing.

A man is cooking sausages. / A girl is playing with her cat. /
A woman is brushing her hair. / A man is closing the curtain. /
A boy is walking with his dog.

No3. Now, look at the man in Picture B. Please describe the situation.

He can’t sit down because the bench is wet.

No.4
Do you think that some students will study at school at night in the future?

Yes(Why?)

Some students study better at night.

Also, nighttime classes may be quieter than daytime classes.

No(Why not?)

Students need enough sleep.

Also, it can be dangerous to go home late.

No.5

In Japan, many people listen to music on their phones.
Do you often listen to music in your free time?

Yes(Please tell me more.)

Music at night helps me relax after a long day.

New songs make my free time enjoyable.

No(Why not?)

Short videos are more interesting to me than music.

Silence during study time helps me focus better.
